

I am not interested in getting telemarketer calls. I do not want ANY of these pesty calls - if I want something there is the internet, phonebooks, pesty mail and flyers sent by the basket to my home and tossed out. I can get info from my monthly bank statements if I want a loan, auto or home loan. I do not need any extra calls. Banks and such can send this so called needed to call you info with your monthly statements - NO CALLS FROM ANY TELEMARKETERS!!!!
